## PRODUCT DISCLOSURE SHEET

(Please read this Product Disclosure Sheet before you decide to take-up the Revolving Credit-i. Be sure to also read the terms in the Letter of Offer. Seek clarification from your Institution if you do not understand any part of this document or the general terms)

### Revolving Credit-i

Date : \_\_\_\_\_  
(to be filled by Relationship Management)

#### 1. What is this product about?

##### Revolving Credit-i

Revolving Credit-i is a Shariah-compliant short-term financing facility which provide funds to companies for working capital requirements, capital expenditures or construction to support company's day-to-day operations where the actual sale price, financing tenure and maturity date are to be determined at point of each disbursement.

#### 2. What is the Shariah concept applicable?

##### Commodity Murabahah via Tawarruq

Commodity Murabahah is Murabahah (cost-plus-profit) via Tawarruq arrangement. A Tawarruq consists of two sale and purchase contracts. The first involves the sale of a specified commodity (such as crude palm oil) by the Bank to the Customer on a deferred basis at a cost-plus-profit price over an agreed period of time. Subsequently, the Customer will sell the same commodity to a third party on a cash and spot basis.

##### Wakalah

Wakalah refers to a contract where the Customer, as principal (Muwakkil) authorizes the Bank as his agent (Wakil) to perform a particular task on matters that may be delegated, with or without imposition of a fee.

In the Tawarruq arrangement, the Bank acts as an agent to purchase the Shariah-compliant specified commodity (such as crude palm oil) from himself on behalf of the Customer, and subsequently acts as an agent to sell the same commodity on behalf of the Customer to a third party (i.e. Bursa Suq Al-Sila) for commodity trading services.

#### 3. What do I get from this Product?

## 6. What if I fail to fulfill my obligations?

- Ta'widh (compensation) for Late Payment

**The Bank has the right to be compensated on late and default payment based on the following mechanism:**

### Before maturity

Actual loss up to 1% on overdue payment for facility within default period as per the following formula:

$$\text{Overdue Installment(s)} \times 1\% \times \text{No. of Overdue day(s)} / 365$$

### After maturity

Bank shall collect compensation charges from date of maturity to date of payment on actual loss up to prevailing IIMM rate on outstanding balance, as per the following formula:

$$\text{Outstanding Balance} \times \text{IIMM}\% \times \text{No. of Overdue day(s)} / 365$$

### Post Judgement

The court may impose a late payment charge on judgement debt, subsequent to the judgement.

The formula for late payment charges on post judgement as following:

$$\text{Judgement Sum} \times \text{IIMM}\% \times \text{No. of Overdue day(s)} / 365$$

Note:

- IIMM = Islamic Interbank Money Market
  - The compensation for late payment shall not be further compounded or by any other method approved by the Shariah Advisory Council of Bank Negara Malaysia.
  - \*The Bank may charge the actual cost/ loss incurred up to 1% or IIMM rate, whichever is lower.
- Legal action will be taken if you fail to respond to reminder notices. The security may be enforced and you will have to bear all costs. You are also responsible to settle any shortfall after the security is disposed.

## 7. What if I fully settle the financing before its maturity?

In line with BNM Guideline on Ibra' (rebate) for Sale Based Financing, Ibra' shall be granted for early settlement before the end of the financing tenure. Settlement prior to the end of the financing tenure shall include, but is not limited to, the following situations:

- Early settlement or early redemption, including those arising from prepayments;
- Settlement of the original financing contract due to financing restructuring exercise;
- Settlement in the event of default; and
- Settlement in the event of termination or cancellation of financing before the maturity date.

Formula calculation of Ibra':

$$\text{Ibra' (Rebate)} = \text{Unearned Profit} - \text{Early Settlement Charges (if any)}$$
